## POVERTY IN BEDFORDSHIRE?

You wouldn't think that Bedfordshire had an issue with child poverty, but it does. The **Bedfordshire Child Poverty Action Group** (Beds. CPAG) is an organisation set up to raise awareness of issues surrounding child poverty in the county. The group collaborates with District Councils and Primary Care Trust on issues of poverty, seeks to give a voice to children and families experiencing poverty and campaigns to eradicate poverty affecting children and families in Bedfordshire.

The recent grant from CREATE has enabled the group to develop and maintain an important on-line resource for raising the profile of poverty issues. The Beds CPAG website, ([www.bedscpag.org.uk](http://www.bedscpag.org.uk).) is an important reference point for individuals and organisations who need an introduction to local poverty issues.

If you are interested in becoming a member of Beds CPAG you can visit their website for further details or phone Joe Greene on 01234 402664
